WeCalm[®] Tasty

HELPS TO IMPROVE ATTITUDES
TOWARDS THREATS, FEARS
AND PHOBIAS

CHEW AWAY THE WORRIES WITH A TASTE OF TRANQUILITY.
OUR SOFT-CHEWS ARE A PAW-FECT RETREAT FROM
STRESS, WITH A BURST OF FLAVOR THEY'LL CRAVE!

WeCalm[®] Tasty is a complementary feed for dogs and cats that calms and relaxes highly strung pets. It can be useful in the management of stressful situations such as lightning & thunder, fireworks, weaning, separation, travelling, kennelling and unwanted or unruly behaviour.

ANIMAL WEIGHT	RECOMMENDED DAILY DOSE
< 10 Kg	1 chew
10 – 25 Kg	2 chews
25 – 40 Kg	3 chews
> 40 Kg	4 chews

INSTRUCTION FOR USE

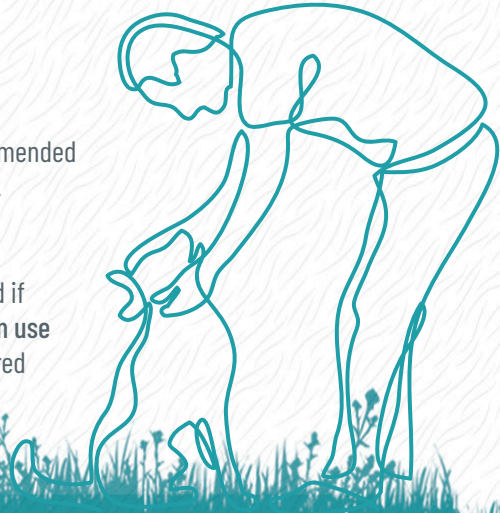

WeCalm[®] Tasty should be administered according to the dose recommended in the table. It is recommended to consult a veterinarian before use. This product should not be used as a substitute for a varied diet. Not for human consumption.

Use in events or specific situations: Administer one to two hours before the event. It can be repeated if the desired effect is not reached. The amount may be reduced according to desired effect. **Long-term use and behavioural problems:** Administer half the normal dose. The dose may be reduced once the desired effects are obtained. In situations of increased stimulus repeat the intake.
